Water Tank and Water pump Mazar

Herat

پروژه تحکیم صلح از طریق همبستگی مردم
 Peace-building in Afghanistan through Consolidation
 of Community Solidarity

Sub-Project : Water Supply
 Funded by : Government of Japan
 Facilitated by : UN- Habitat .
 Implemented by : Fath CCDC
 Project Location : Province Herat / District-Enzil
 Beneficiaries : 899 Families
 PA CCS Contribution : 137, 200 USD
 Contribution of CCDC : 23843 USD
 Total cost of Project : 161043 USD
 Starting date :
 Completion date :

پروژه : شبکه آبرسانی محلی
 ویراسته : دولت جاپان
 تسهیل کننده : ملل متحد - هیتات
 اجرا کننده : شورای انکشافی حوزوی
 موقعیت پروژه : ولایت هرات / ولسوالی انجیل
 مستفید شونده گان : ۸۹۹ خاویل
 بودجه پروژه : ۱۳۷۲۰۰ دالر امریکایی
 سهم گیری مردمی : ۲۳۸۴۳ دالر امریکایی

Concluding Remarks

Water Supply for Rapid Expanding Cities huge challenge

Ground water (main source) is increasing polluted due to lack of sewerage systems

Opportunities for Japanese Support in partnership with UN-Habitat

- Decentralized water supply systems
- Municipal Water Supply systems (finding water, storage and distribution)
- Water treatment
